Indemnification

You agree to indemnify, defend, and hold harmless MV Electric, its officers, directors, employees, agents, and third parties, for any losses, costs, liabilities, and

expenses (including reasonable attorney's fees) relating to or arising out of your use of or inability to use the Site or services, any user postings made by you, your violation of any terms of this Agreement or your violation of any rights of a third party, or your violation of any applicable laws, rules, or regulations. Arbitration

In the event the parties are not able to resolve any dispute between them arising out of or concerning these Terms and Conditions, or any provisions hereof, whether in contract, tort, or otherwise at law or in equity for damages or any other relief, then such dispute shall be resolved only by final and binding arbitration pursuant to the Federal Arbitration Act, conducted by a single neutral arbitrator and administered by the American Arbitration Association, or a similar arbitration service selected by the parties, in a location mutually agreed upon by the parties. The arbitrator's award shall be final, and judgment may be entered upon it in any court having jurisdiction. In the event that any legal or equitable action, proceeding, or arbitration arises out of or concerns these Terms and Conditions, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees. The parties agree to arbitrate all disputes and claims in regards to these Terms and Conditions or any disputes arising as a result of these Terms and Conditions, whether directly or indirectly, including Tort claims that are a result of these Terms and Conditions. The parties agree that the Federal Arbitration Act governs the interpretation and enforcement of this provision. The entire dispute, including the scope and enforceability of this arbitration provision, shall be determined by the Arbitrator. This arbitration provision shall survive the termination of these Terms and Conditions.

Class Action Waiver

Any arbitration under these Terms and Conditions will take place on an individual basis; class arbitrations and class/representative/collective actions are not permitted. **THE PARTIES AGREE THAT A PARTY MAY BRING CLAIMS AGAINST THE OTHER ONLY IN EACH'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PUTATIVE CLASS, COLLECTIVE AND/OR REPRESENTATIVE PROCEEDING**, such as in the form of a private attorney general action against the other. Further, unless both you and MV Electric agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

To the maximum extent permitted by applicable law, in no event shall Mountain View Electric LLC and/or its suppliers be liable for any direct, indirect, punitive, incidental, special, consequential damages or any damages whatsoever including, without limitation, damages for loss of use, data or profits, arising out of or in any way connected with the use or performance of the Site, with the delay or inability to use the Site or related services, the provision of or failure to provide services, or for any information, software, products, services, and related graphics obtained through the Site, or otherwise arising out of the use of the Site, whether based on contract, tort, negligence, strict liability or otherwise, even if Mountain View Electric LLC or any of its suppliers has been advised of the possibility of damages.

Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you. Termination/Access Restriction

MV Electric reserves the right, in its sole discretion, to terminate your access to the Site and the related services or any portion thereof at any time, without notice. To the maximum extent permitted by law, this agreement is governed by the laws of the State of Colorado and you hereby consent to the exclusive jurisdiction and venue of courts in Colorado in all disputes arising out of or relating to the use of the Site. Use of the Site is unauthorized in any jurisdiction that does not give effect to all provisions of these Terms, including, without limitation, this section.

You agree that no joint venture, partnership, employment, or agency relationship exists between you and MV Electric as a result of this agreement or use of the Site. MV Electric's performance of this agreement is subject to existing laws and legal process, and nothing contained in this agreement is in derogation of MV Electric's right to comply with governmental, court, and law enforcement requests or requirements relating to your use of the Site or information provided to or gathered by MV Electric with respect to such use. If any part of this agreement is determined to be invalid or unenforceable pursuant to applicable law including, but not limited to, the warranty disclaimers and liability limitations set forth above, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of the agreement shall continue in effect.

Unless otherwise specified herein, this agreement constitutes the entire agreement between the user and MV Electric with respect to the Site and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral or written, between the user and MV Electric with respect to the Site. A printed version of this agreement and of any notice given in electronic form shall be admissible in judicial or administrative proceedings based upon or relating to this agreement to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form. It is the express wish of the parties that this agreement and all related documents be written in English.
